

**Children's Ministry – Sunday School
2023-2024 School Year**

We are so grateful for the growing number of children who are participating in our church. We are blessed with a fantastic group of children! Children are always welcome here.

While the first responsibility always lies with the parents, an active Sunday school has an important role in teaching the little ones about God's love for them. We consider it a blessing and a privilege to have this opportunity. It is not a burden and we want to do our best for these precious little ones. But no one person can do it alone. There is opportunity for many hands to get involved.

Our Sunday school (for kids up to grade 3) runs during our church service (11:20 to noon) and because of the growing number of children, we really want to offer two separate classes (one for the preschool children, and one for the early elementary children, up to grade 3).

To accomplish this, we will need a team of dedicated volunteers. You will have the option of "leading" or "assisting". If you are leading, you will need to prepare ahead of time, based on the curriculum that we will provide for you. If you are assisting, you don't need to prepare ahead of time; just come and be a helping hand for the lead teacher.

Even if you filled out this information last year, we ask that you fill it out again this year. Your commitment to volunteer is for one school year at a time (which is why, we ask you to fill this out again).
